REQUEST FOR CERTIFICATE OF CORRECTION

Certificate of Correction Branch
Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This letter is to request the United States Patent and Trademark Office to issue a Certificate of Correction in the above-captioned matter. The USPTO mistakenly issued a Certificate of Correction in this matter on January 2, 2007. It is my belief that a request for a Certificate of Correction in a different file has mistakenly been applied to this matter. This Certificate of Correction was neither applied for nor desired by the Applicant, the Assignee, nor the agents thereof. It is requested that the USPTO acting on its own accord issue a correction in this matter reinstating the original title page and the original drawing Figures 1-10. The subject matter of the drawing Figures 1-10 as shown in the Certificate of Correction of January 2, 2007 is not to be regarded as part of the disclosure or claims of the '851 patent.

Respectfully submitted,
ANDRUS, SCEALES, STARKE & SAWALL, LLP
